

BONNIE BALDWIN MEMORIAL HOOP A THON

Jan 16, 2019

Dear Friend,

You can bring hope to a family in need today by supporting our ***Bonnie Baldwin Memorial Hoop-A-Thon*** with your sponsorship, raffle or in-kind donation. On Saturday, April 13, 2019 we are hosting this fundraising event at St. John's Lutheran Church 3220 Columbus Ave, Grove City OH 43123 from 11am until 4pm, where we hope to attract hundreds of participants.

All proceeds from the event benefit the Huntington's Disease Society of America (HDSA) Central Ohio Chapter, a non-profit organization dedicated to improving the lives of people with Huntington's disease (HD) and their caregivers. Our goal is to raise \$20,000 at the *Hoop-A-Thon* so that we can continue to provide support group and healthcare services for HD families in the Central Ohio area and we need your help.

Huntington's disease is a devastating, hereditary, degenerative brain disorder that affects 250,000 Americans. It slowly diminishes the affected individual's ability to walk, talk and reason. Eventually, the person with HD becomes totally dependent upon others for his or her care. Huntington's disease profoundly affects the lives of entire families -- emotionally, socially and economically. Your donation can bring hope to these families who are truly in need!

Attached you will find more information about various ways you can support this event with your financial contribution or in-kind donation. Please be sure to complete the form by March 15, 2019. If you have any questions, or would like to propose a unique arrangement, please feel free to contact me to discuss, we are always open to innovative community partnerships.

Thank you, in advance, for generously supporting this fundraiser with your contribution. You are providing *help for today* and *hope for tomorrow* and we cannot thank you enough!
